TO THE 1995 EIGHTH GRADE GRADUATES  
OF VAILSBURG MIDDLE SCHOOL

My fondest congratulations are extended to you on this momentous occasion of your graduation.

You've reached another milestone in your educational pursuit.

Cheers to those of you who used difficulties as "Stepping Stones to Success."

Your lives have been enriched through the positive values instilled and displayed by your parents, teachers and mentors.

For the strives and good work that you have exhibited, you certainly deserve commendations, because I know that it hasn't been easy. However, because of a special glue that you use called "Stick-to it-ness," you've come this far. Do not be deterred.

I'd like to leave with you a few reminders.

Set high moral and ethical standards for yourselves.

Aim high and keep your eyes on the prize that you are aiming for.

Don't lose faith in the most important person in your life, "YOU".

Keep on learning for learning never stops.

Develope and cultivate a "strong will" that no matter how dark and bleak life may seem just as morning appears after the night, a light appears after bleakness.

With Love, Truth and Determination success is eminent.

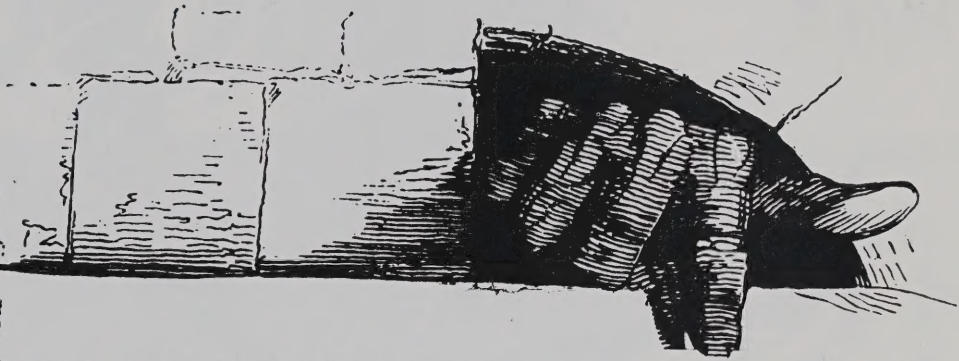

Wishing You The Best  
Loads of Love,

*Mildred E. English*

# *Our vice principal Mr. Daniel Antonacci*

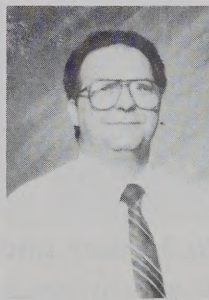

The time for change is upon us again. Graduates will be going on to high school and Vailsburg will receive a new class of sixth graders.

These are complex changes that determine the future for all of us. Change keeps us motivated and keeps monotony in check. It can be beneficial or detrimental; it's your choice.

Allow me to take this time to congratulate all of you and wish that happiness and success follow you through your lives.

The future is yours to do with as you please. "PLAN, WORK HARD, DON'T GIVE UP, AND THE WORLD IS A GREAT PLACE."

My hope is that we have given you something that will help you and be with you the rest of your days.

GOD BLESS,

This is a message of Congratulations and a Charge for the Future. You are leaving your years of Innocence behind you as you walk through the doors of Vailsburg Middle for the last time as a student. We have tried to provide you with the tools you will need in the coming years. Now, it's your turn. Your Future is in Your hands. It is time for you to use those tools you were provided, to become an Upstanding Adult in the Community. As you enter your respective High Schools, it will be a New Beginning. No one knows your Past. Everyone will be watching to see Your Future Unfold. Internalize the following thoughts:

- \*Respect Yourself and Others around You
- \*Grab a tight hold on Responsibility, it will be the Rule of the Day
- \*Strive for Excellence in Everything You Do, you won't fall too short of it
- \*Have Confidence in Yourself, so that You are not easily Swayed
- \*Focus Your Energies on Directing Your Path in a Positive Direction, the youth are Watching You
- \*Set Goals and Milestones every 2 to 3 Years and Achieve them

Good Luck and May God Protect and Guide Your Path.

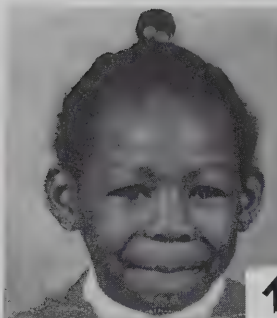

Again, Congratulations,  
Mrs. McGuire-Long

VAILSBURG IS A NICE SCHOOL WITH LOTS OF HARD WORKING TEACHERS TO HELP YOU TO SEE YOUR FUTURE. WHEN I FIRST CAME TO VAILSBURG I DIDN'T KNOW WHAT TO DO. DAYS LATER I GOT TO KNOW LOTS OF TEACHERS THAT I CAN TALK TO. VAILSBURG IS A NICE SCHOOL THAT TEACHES YOU HOW TO GET READY FOR THE FUTURE.
